Mr. Frank C. Conahan, Director  
National Security and International Affairs Division  
United States General Accounting Office  
Washington, D.C. 20548

Dear Mr. Conahan:

As requested in your letter of 7 March 1984, we have reviewed General Accounting Office's draft report on U.S. Security and Military Assistance to the Hashemite Kingdom of Jordan. [redacted]

25X1

Analysts in the Directorate of Intelligence who read the draft found it well-written and informative. They have suggested some changes and recorded substitute language or numbers directly on the draft copy, which we are enclosing, (pages vi, vii, ix, 18, 20, 22 24, 25, 27, 32, 33 and 56). [redacted]

25X1

With regard to classification of the report, we believe SECRET/NOFORN/NOCONTRACT is the appropriate overall classification. Inclusion of statistics on weapons accounts for our belief that you should add the NOCONTRACT caveat. Much of the other material is derived from State Department and DAO reporting, which we expect will require the SECRET/NOFORN classification. [redacted]

25X1

Sincerely,

/s/ Clair E. George
